GENERAL ADVISORY COMMITTEE ON ARMS CONTROL AND DISARMAMENT

Washington, D.C. 20451

June 11, 1982

The Honorable
William J. Casey
Central Intelligence Agency
Washington, D. C. 20451

Dear Director Casey:

The President has recently nominated the members of the General Advisory Committee on Arms Control. As Chairman, I plan to hold our initial meeting on July 8 and 9 in the ACDA Conference facilities.

Since you and your organization have such an important role in the formation and implementation of arms control agreements, we would very much appreciate your meeting with us. Your insights on Soviet strategic and intermediate range forces and programs and U.S. verification capabilities are of great interest to us and, to that end, we have set aside the time from 9:00 to 12:30 on Friday, July 9th, to listen to your views. Of course, if this time is inconvenient to you, we will certainly attempt to accommodate your schedule. Director Rostow will contact you to help make the necessary arrangements.

The Committee will also have a No-Host luncheon from 12:00 to 1:30 p.m. on July 8th in the Van Buren Dining Room on the 8th floor of the State Department. We hope that you will be able to join us for luncheon as well, as it will afford you and the nominees the opportunity to meet more informally.

Respectfully yours,

Charles M. Kypperman for

William R. Graham
Acting Chairman
